## OVERVIEW

Nov 10 - 25, 2024

Nov 10 - 25, 2025

It's the ultimate trek, to hike through Sherpa Homelands, overlooked by the shining spires of the Khumbu icefall, to the Base Camp of the world's highest mountain - Mount Everest!

For mere mortals, standing on the summit of Mt Everest, the world's highest mountain soaring some at 8,849m above sea level will always remain a dream. So why not attempt to visit its Base Camp, at an altitude of 5,364m instead.

The journey through the Sherpa homelands and the shining spires of the Khumbu ice fall thoroughly deserves its moniker of one of the world's greatest treks. Not to be undertaken lightly, this trek rewards with incredible scenery, remote village and rich and diverse cultural landscapes.

This is an exhilarating trek where most of the trekking days are 5-6 hours long, sometimes up to 8 hours. You steadily gain altitude, and the trek is carefully paced to allow your body to adjust to the altitude. The paths and tracks are a mix of wide, relatively even and well marked main trails, to more alpine style footpaths on the higher hills. The trekking is sustained with rest days built in to allow acclimatisation. If you're an active adventurer, like multi-day walks and would like to see Sagarmatha, the Goddess of the Sky up close, then join us on this unforgettable adventure!

Mount Everest is the mountain everyone knows. To see and more than a mountain and the journey around its foothills is more than just a trek. Every bend in the trail provides another photo opportunity – beautiful forests, Sherpa villages, glacial moraines, and foothills. For active adventurers not afraid to break a sweat, our full trekking support staff will bring you close to local cultures before opening a window to the top of the world.

## FULL ITINERARY

### DAY 1 - WELCOME TO KATHMANDU

A traditional welcome awaits us at Tribhuvan International Airport Kathmandu.

After negotiating immigration we travel through the heart of Kathmandu to our hotel. The sights and sounds of the cities are sure to grab your attention as you make your way to your hotel.

Enjoy a welcome meal together this evening to meet the rest of the tour group and your Big Journey Company Tour Director.

**Included meals:** Dinner

**Accommodation:** Hyatt Regency, Kathmandu (or similar)

### DAY 2 - KATHMANDU CITY TOUR

Today we enjoy a city tour of Kathmandu - Nepal's capital. Also known as Kantipur, the capital Kathmandu is the hub of Nepal's art and culture.

We will walk through the centre of old Kathmandu to experience the city's eclectic mix of cultures.

We visit the Hanumandhoka palace museum, beautiful temples and the Kumari Chowk. The Kumari Chowk is a gilded cage which contains the Raj Kumari, a girl chosen through an ancient and mystical selection process to become the human incarnation of the Hindu goddess, Durga. After the tour of the Kathmandu Durbar Square, we continue towards the local bazaar and its colourful array of stalls selling daily household commodities. We will also enjoy a rickshaw ride to Thamel, the home of Nepal's tourism industry.

Later we will also visit Patan Durbar Square. Built in the 3rd century B.C. and later expanded and enriched by subsequent monarchs, Patan is located about 5 km south of Kathmandu and one of three royal cities in the valley. This is a destination for connoisseurs of fine arts. Patan Durbar Square, like its counterpart in Kathmandu, is an enchanting mélange of palace buildings, artistic courtyards and graceful pagoda temples.

**Included meals:** Breakfast & Dinner

**Accommodation:** Hyatt Regency, Kathmandu (or similar)

### DAY 3 - DRIVE TO RAMECHAP

Today we'll leave the hustle and bustle of Kathmandu and drive east towards Ramechhap.

Through the drive, you'll get to see much of the region as we pass through small Nepali villages. The views of the mountain in the background are as always breathtakingly stunning.

We overnight here as we will need to be at the airport early in the morning for our flight up into the high mountains.

**Included meals:** Breakfast, Lunch & Dinner

**Accommodation:** Akshit Resort, Ramechhap (or similar)

### DAY 4 - FLY TO LUKLA (2,850M) AND TREK TO PHAKDING (2,610M)

After an early breakfast we will board our short flight to Lukla. Please note that the luggage allowance on the plane is just 10kg per person and the cabin bag 5kg!

After lunch, we embark on a 3hr walk to Phakding. This starts with a gentle descent beside the left bank of the Dudh Koshi River, with distant views of the peaks of Nupla and Kusumkang before we reach our mountain home for the night.

**Included meals:** Breakfast, Lunch & Dinner

**Accommodation:** Yeti Mountain Home, Phakding (or similar)

### DAY 5 - PHAKDING TO NAMCHE (3,440M)

We have a full day of walking ahead of today through some splendid and breathtaking scenery.

### Phakding to Monjo (approximately 5 km: 3 hrs walking)

After breakfast, we trek to the village of Monjo. The route follows a level path along the right bank of the river. The peak of Thamserku, 6,623 metres high, looms skyward on the opposite bank. After crossing a stream and climbing the terraced hill from the Dudh Koshi route, our group will arrive at Banker.

Continuing through a forest, we arrive at Chumow, where we can visit the vegetable farm. Walking along a path with numerous ups and downs, we cross a stream and enter the small village of Monjo.

### Monjo to Namche (approximately 6 km: 4 to 5 hrs walking)

After lunch, we will start the walk to Namche. Descending stone steps out of the village, the path comes to a suspension bridge, and, after a short climb we will reach Jorshale, the entrance to the National Park. Here the group will rejoin and our guide will pay the entrance fee as we enter.

Walking beside the river, we reach a forested mountainside and pass a rocky area. After crossing a high, winding path, we will descend to the riverbed and reach a V-shaped valley. The river forks here: the right stream is the Dudh Koshi and the left is the Bhote Koshi that leads to Nangpa La. Crossing another suspension bridge and walking a short distance alongside the Bhote Koshi, we ascend to Namche Bazaar - and one last push up the hill to reach our welcoming home for the evening.

**Included meals:** Breakfast, Lunch & Dinner

**Accommodation:** Yeti Mountain Home, Namche (or similar)

## DAY 6 - NAMCHE (3,440M) - ACCLIMATISATION DAY

After breakfast we leave the main Everest trail and we head out past Namche's gompa to join a high alpine trail and hike gently up through pine forest and meadows to the hamlet of Thamo. This trail forms part of the entry route to Tibet, which passes near the 8,012-metre peak of Cho Oyu, first climbed in 1954. It is also the historical route that the Sherpas migrated from eastern Tibet 800 years ago. Thamo is also the home Ang Rita Sherpa, who holds the record for scaling Mt Everest ten times without oxygen.

After lunch at Thamo, we retrace our step back to Namche. Or, if you still have more energy left, we can hike to the Everest view hotel, Shyangboche and visit Khumjung Hillary School and Khunde Hospital.
